

Thornfield

CARE HOME

RESIDENTIAL | DEMENTIA | RESPITE CARE

Situated on the world-famous Jurassic Coast, on the outskirts of Seaton, Thornfield Care Home offers excellence in residential, respite and specialist dementia care for up to 52 residents.

Our holistic approach to care ensures that our experienced, compassionate team provide care tailored to the needs and wishes of each resident, with their wellbeing at the heart of all that we do.

Thornfield has 52 well appointed bedrooms, all with en suite and 24-hour call system. Residents enjoy homely, comfortable communal areas to relax and enjoy community living. The homes feature atrium is

the heart of the home and offers a sociable setting for residents to enjoy dining and the company of others. The additional facilities of a Hair Salon, The Snug Inn, General Shop and Garden Room can be enjoyed by all residents and support the creating of new memories. Our intimate garden area incorporates fun and colour while providing the perfect space for enjoying warmer days and outside gatherings.

LIFE AT THORNFIELD

Our kind and dedicated team provide care tailored to the needs and wishes of each resident, with their wellbeing at the heart of everything we do.

Food plays an important part of daily routines and our team of chefs pride themselves on the exceptional quality of food at every meal, with all dietary needs and preferences catered for.

Our vibrant entertainment and activities offering ensure that every day is different, and full of enriching experiences for all tastes. Our own minibus provides outings further afield on a regular basis.

The benefits of group living, with the comfort of having care and support on hand, mean that every day can be enjoyed to the full at Thornfield Care Home.

We look forward to welcoming you.
